

## **State Transportation Statistics 2012 with Mapping Application**

Friday, August 30, 2013 - The U.S. Department of Transportation's Bureau of Transportation Statistics (BTS), a part of the Research and Innovative Technology Administration (RITA), today released its annual [State Transportation Statistics 2012](#) (STS) – a web-only reference guide to transportation data for the 50 states and the District of Columbia. STS 2012 includes a wide range of state-by-state information. The 10th annual STS consists of 115 tables of state data on infrastructure, safety, freight transportation, passenger travel, registered vehicles and vehicle-miles traveled, economy and finance, and energy and environment, plus a U.S. Fast Facts page. In addition to the STS 2012 tables, state-by-state data can be viewed in a [State Transportation Facts and Figures](#) mapping application. Contact: Dave Smallen (202) 366-5568.
