

National Transportation Statistics Updated

Friday, January 18, 2013 - The U.S. Department of Transportation's Bureau of Transportation Statistics (BTS), a part of the Research and Innovative Technology Administration (RITA), today updated [*National Transportation Statistics* \(NTS\)](#) – a web-only reference guide to national-level transportation data. NTS, updated quarterly, includes a wide range of national transportation information. NTS consists of more than 260 tables of national data on [the transportation system](#), [safety](#), [the economy](#) and [energy and the environment](#), of which 43 were updated today. NTS also includes 11 [modal profiles](#), compilations of all NTS data related to a single mode or subject. The next quarterly update is scheduled for April. [NTS](#) can be viewed on the BTS website. Contact: Dave Smallen (202) 366-5568.
