### **Pocket Guide 2010, Significant Accomplishments 2009**

Friday, January 29, 2010 - The Bureau of Transportation Statistics (BTS), a part of the Research and Innovative Technology Administration (RITA), has published the [Pocket Guide to Transportation 2010](#) – a 50-page quick reference guide to informative transportation data. The 13th annual Pocket Guide covers data on the transportation system, transportation safety and security, mobility, transportation and the economy, and transportation and the environment. To order a copy of the *Pocket Guide to Transportation 2010*, contact BTS by phone at 800-853-1351, by e-mail at [ritainfo@dot.gov](mailto:ritainfo@dot.gov) or by mail sent to Product Orders, RITA/Bureau of Transportation Statistics, USDOT, 1200 New Jersey Ave., S.E., Room E36-109, Washington, DC 20590. This free guide can also be obtained by going to the BTS website at [www.bts.gov](http://www.bts.gov) and ordering copies by clicking on “Order a Print Publication” in the Publications drop-down menu. BTS also published [Significant Accomplishments Fiscal Year 2009](#) highlighting the agency’s work during the 12-month period. The 16-page annual Significant Accomplishments report covers BTS’ support of the U.S. Department of Transportation’s key priorities and initiatives, and the agency’s work as a knowledge-based organization creating, managing, and sharing transportation statistical knowledge. The report reviews BTS’ work on new ways to meet the nation's present and future transportation statistical needs. The report can be found at [http://www.bts.gov/publications/significant\\_accomplishments/2009/](http://www.bts.gov/publications/significant_accomplishments/2009/).
