

Bureau of Transportation Statistics Webinar Outreach Series

<http://www.bts.gov/programs/webinars/>

Transportation Services Index

3:00pm–4:00pm (Eastern Time)

Tuesday, October 18, 2011

Presented by Ken Notis—Ken Notis has been an economist with BTS for the last 9 years. He worked in transportation and logistics since 1983, including 9 years at CSX Transportation. He has a Bachelors degree in Economics, and Masters in Business Administration.

The webinar discusses the Transportation Services Index, BTS' monthly measure of the volume of transportation services. Research on the relationship of TSI to the cycles of the general economy will be presented.
